

Remarks

Claims 1-21 are pending in this Application. In the Office Action mailed July 28, 2005, the Examiner allowed Claims 9, 12 and 13. Applicant thanks the Examiner for stating that Claim 9 and its dependents, Claims 12 and 13, are allowable over the art cited and, in particular, that Claim 9 is allowable because the art of record, considered alone or in combination, neither anticipates nor renders obvious a method for collecting recyclable materials as represented by Claim 9 and shown in the Listing of Claims beginning on page 2 of this paper. In light of the foregoing, the claims provided herein are believed to be in condition for allowance. Applicants have canceled Claims 1-8, 10-11 and 14-21 pursuant to the filing of a continuing application.

A Petition for Extension of Time for 1 month with the appropriate fees accompany this response. No additional fees, other than the petition fee, are believed due with this Amendment. If this is incorrect, Applicant hereby authorizes the Commissioner to charge any fees, other than the issue fee, that may be required by this paper to Deposit Account 07-0153. If the Examiner has any questions or comments, or if further clarification is required, it is requested that the Examiner contact the undersigned at the telephone number listed below.
